Payment Information:

The cost of the Construction Industry Induction Training is \$150.00 which must be paid in full in order to secure a booking to complete the training. This payment is **non refundable and non transferable**.

Upon receipt of the payment, the C.F.M.E.U. will issue the course applicant with training date, as well as a tax invoice/receipt which will still be known as a 'pink card'.

The 'pink card' will allow the applicant to work <u>supervised</u> on site for <u>28 days only</u> in the interim between booking and completing the training.

Please note that our preferred method of payment is by filling out the Credit Card details below:

Cardholder's Nan	ne:					
Type of Card:	<u>Visa</u>	MasterCard	Amex

Fax: Sax No:	<u>Ema</u> Ema	<u>ill:</u> il Address:	<u>Mail:</u> □			

On the day, please make sure of the following:

- **Be on time:** You will not be deemed to have completed the training if you do not attend the entire day from 8.00am through until 3.30p.m.
- **Bring photo identification:** This is a strict requirement. Trainers will not be able to confirm your attendance without the presentation of valid photo identification.
- Confirm your booking details: Check your booking details prior to the course for the location and date. This is particularly important as bookings cannot be

transferred or refunded.

As the Regulations now state that an individual must be supervised on a construction site until the completion of the training, it is highly recommended that the applicant attends the training on the date that will be provided to avoid any inconvenience non-attendance may cause.
