Payment Information:

The cost of the Construction Industry Induction Training is \$150.00 which must be paid in full in order to secure a booking to complete the training. This payment is **non refundable and non transferable**.

Upon receipt of the payment, the C.F.M.E.U. will issue the course applicant with training date, as well as a tax invoice/receipt which will still be known as a 'pink card'.

The 'pink card' will allow the applicant to work <u>supervised</u> on site for <u>28 days only</u> in the interim between booking and completing the training.

Please note that our preferred method of payment is by filling out the Credit Card details below:

Cardholder's Nam	e:								
Type of Card:	<u>Visa</u>	MasterCard	Amex						
Card No:									
Expiry Date:									
CCV:									
How would you prefer to receive confirmation of the booking?									
Fax: Fax No:	<u>Email:</u> Email	Address:	<u>Mail:</u> □						

On the day, please make sure of the following:

• **Be on time:** You will not be deemed to have completed the training if you do not attend the entire day – from 8.00am through until 3.30p.m.

• Bring photo identification: This is a strict requirement. Trainers will not be able to confirm your attendance without the presentation of valid photo identification.

Confirm your booking details: Check your booking details prior to the course for the location and

date. This is particularly important as bookings cannot be

transferred or refunded.

• What to wear: Hard hat, safety boots; reflective vest (no slippers/thongs)

As the Regulations now state that an individual must be supervised on a construction site until the completion of the training, it is highly recommended that the applicant attends the training on the date that will be provided to avoid any inconvenience non-attendance may cause.
