Note that this is the minimum assuming a 36 hour week and 5 days of travel. This DOES NOT take into account the following which would increase the amount owed:

- Night Shift • Casual Loading • Annual Leave Loading
- Other Allowances (e.g. height, demolition, first aid, leading hand...)

Further, for any weeks that are paid out at less than 36 hours (only applicable to casuals) or less than 5 days travel the amounts may be less than the above (but never less than \$280).
